PAYWAVE DONATION OPTION

Through a parishioner's kind donation, we have been able to fund a PayWave device, which gives parishioners another option for donating to the Church. The device accepts any card (debit or credit) provided it has the PayWave facility. You place your card against the screen, and \$10 will be automatically deducted from your account and paid to our bank account.

The device is in the Foyer, next to the office. It does not issue receipts, and our bank account does not register who made the donation.

Parishioners may care to use this new form of donating as opposed to putting cash in the basket at Mass or as a way of providing the Parish with additional funds.

When donating leave your card against the screen momentarily, and after removal you will see a message on the screen thanking you for your donation. To donate more than \$10 give the screen time to clear before repeating the operation.

An in advance 'thank you' to all who use the device.

PRAYERS FOR PEACE

Every year we have a Prayer Service for peace in which we combine with our other Christian Churches in the area.

We are looking for someone to be part of the preparation with the other Churches.

It is not a huge commitment and just involves meeting a few times with the other Churches to help plan it. And such an opportunity to meet other Christians.

If you are interested, please ring Maggy on 021562449.

If you would like to have your notice included in the Parish Newsletter, please send it via email by 10am on Wednesday.
