The St Ignatius Social Justice Programme

The St Ig Parish Social Justice is a new programme for our 10-14 year olds. The programme seeks to create a safe, caring and tight community of 10-14 year olds within our Parish by helping them work together on meaningful and impactful 'missions of impact' that build confidence and connection and help our community thrive. The first Social Justice Experience will be on Sunday, 26 Feb 2023. This session will provide a brief introduction to the seven Social Justice Teachings and principles and, weather-permitting, an experience of what it means to 'be good guardians'.

In this experience we will show two things:

what social justice is, and what the key themes are,

we are all kaitiaki – guardians of the earth - and exercising stewardship is caring for the gifts God has given us, including the environment.

Activity: beach cleanup [subject to weather]

Time: 9-11am - please meet at 8:45am.

Location: St Ignatius Parish Centre foyer, then St Heliers Beach [*transport provided to and from beach*].

What to bring: sunscreen, covered shoes, hat, water, jacket and towel.
