Gospel Matthew
22. 15-21

29th Sunday in Ordinary Time 2023

The Pharisees were “hypocrites” filled with “malice.” They were also cowards in that they would not even act on their own malicious plot. Instead, they sent some of their own disciples to try to trap Jesus. The sad truth is that the Pharisees spend a tremendous amount of energy plotting and planning this malicious trap. The glorious truth is that Jesus spends hardly any energy dismantling their plot and revealing them for the malicious hypocrites they are.

He states, “*repay to Caesar what belongs to Caesar and to God what belongs to God*”! In our own lives, there are times when we may find ourselves face to face with the malicious intent and plotting of another. Oftentimes, the effect of such a plot is that we become deeply disturbed and lose our peace. But Jesus endured such malice so as to show us the way to handle the attacks and traps we may encounter in life. The answer is to stay grounded in the Truth and to respond with the wisdom of God.

Reflect, today, upon how deeply you trust the wisdom of God to guide you through life. You cannot make it on your own. There are traps and snares that will inevitably come your way. Trust in His wisdom and abandon yourself to His perfect will and you will find that He will guide you every step of the way.

Lord of all wisdom, I entrust my life to Your perfect wisdom and care. Protect me from all trickery and guard me from the plots of the evil one. Jesus, I trust in You.

SAFEGUARDING TRAINING WORKSHOP

- **Sunday 29th October** after Mass in person session at **Mother of Perpetual Help** (Mass ends at 11:30am)
- **Sunday 5th November** after Mass session at **St Ignatius** (Mass ends at 10am).

In a few weeks' time Lisa-May (*former Plunket Nurse*) from the Diocese will be hosting a Session on Safeguarding after Mass at both St Ignatius and Mother of Perpetual Help Parishes. After a short break at the end of Mass, light refreshments will be provided in the Parish Centre before Lisa-May will run her interactive presentation. The session is about 40 min long is highly informative and as mentioned interactive. We encourage all parishioners to attend.

What is Safeguarding?

Safeguarding is promoting an environment which respects and acknowledges the dignity of each human being, and where people feel valued and safe. An important aspect of Safeguarding is responding to concerns of harm or abuse.

Why is Safeguarding important?

The Catholic Church in Aotearoa New Zealand has adopted the "*Guidelines for the prevention of and response to sexual abuse in the Catholic Church in Aotearoa New Zealand*" (*National Safeguarding Guidelines*). Safeguarding is one of the ways in we as a Catholic Community are addressing this commitment to protecting everyone including the young and vulnerable in our community.

Who should attend

Those who work with vulnerable individuals such as the young or elderly are required to attend/complete Safeguarding training as part of their ministry. Additionally, any parishioner in a leadership role within the parish is required to attend/complete Safeguarding training, however we encourage all parishioners to attend so that we can collectively improve our knowledge and awareness.
